Keiran,

Coastal Business Products has built its business reputation for thirty years on offering leading edge quality products and services. KIP is pleased to be a strategic piece of Coastal Business Products' wide format technology offering. The reliability of the KIP product line coupled with Coastal's excellent approach to service after the sale has continued to earn strong customer references for KIP and Coastal Business Products.

Coastal Business Products is the only KIP authorized sales and service center in the Gulf Coast/Panhandle of Florida. I would like to take this opportunity to thank you for your many years of support and look forward to 2004 as KIP brings new and innovative wide format imaging solutions to our valued customers.

Regards,

Tim Horn
